Dear Bud:

Hope that you, Nancy and the children had a pleasant Christmas and enjoyed the holiday season. We did here, particularly since the weather was more in keeping with the time of year. The snow curbed traveling around town somewhat, but it also contributed to a more restful holiday period.

I want you and Nancy to know that I did not forget about the pictures of the family. Nancy mentioned that you could use about five copies. They have just become available, and I'll forward them under separate cover.

I keep looking for the right opportunity to visit the West Coast and perhaps, in the not-too-distant future, this may be arranged. If such an occasion should arise, I'll give you a call. Maybe we might search out a pub serving WATNEY's Red Barrel special--a pint of bitter would bring back some very pleasant memories of [REDACTED]

Sincerely,
